

# SALMON RIVER TACTICS

## ***Are You Fully Equipped for the Unexpected?***

*In an increasingly uncertain world, passive hope is not a strategy—**preparedness is**. At **Salmon River Tactics**, we provide the critical, hands-on training you need to move from feeling vulnerable to being confidently self-reliant, whether you face a wilderness emergency, a medical crisis, or a tactical threat.*

*Located in **Pulaski, New York**, we are expanding our curriculum to offer a comprehensive suite of preparedness courses in the region.*

## ***Introducing Our Expanded 2026 Course Catalog***

*Our mission is to arm you with the skills to handle any challenging situation. We offer focused and realistic training. While ensuring you receive individualized attention and leave with practical, life-saving knowledge.*

### ***I. Tactical & Medical Preparedness***

*Gain essential skills for response in high-stress, critical environments:*

- ***Gun Safety & NRA Basic Pistol:*** Foundational and certified instruction for responsible firearm ownership and use.
- ***Private Shooting Lessons:*** Personalized coaching to refine accuracy and technique.
- ***SABRE Pepper Spray Training:*** Non-lethal defense tactics and deployment instruction.
- ***ALERRT CRASE (Civilian Response to Active Shooter Events):*** Critical decision-making and immediate actions during an active threat situation.
- ***Stop the Bleed:*** Immediate life-saving techniques to control traumatic bleeding before professional help arrives.
- ***ECSI Wilderness First Aid and CPR:*** Essential medical skills for treating injuries when emergency services are hours away.

### ***II. Core Survival & Navigation***

*Master the fundamental skills required to thrive when cut off from modern resources:*

- ***Wilderness Survival:*** Shelter building, fire craft, water procurement, and more.
